Aug. 6 – Last Day of Camp
Aug. 8-9 – Oxford Regatta
Aug. 11 – End of Summer Awards

Learning Different Sailing Jargon

Through the classes that your child has taken, they have learned many tricks of the trade about sailing. They have learned the points of sail, how to use their telltails, and even how to start a race in a regatta. Besides learning these important facts about sailing, they have also been learning other lesser-known facts. This week our sailors have been learning how to write their names with the code flags and the meaning of different sailing phrases, like “Helms a-lee!”

Many of the classes have had a chance to learn how to sail bigger boats than the Opti and 420. The sailors are going out on the J22s, and learning about sailing boats that need more than two people. The sailors have had a chance to drive, trim the main, and learn about all of the controls on board.

T-Shirt Pick Up

Please come and pick up your t-shirt order. We have a few remaining orders that have not been claimed.

If you are interested in ordering a shirt, we still have a few left. They are knocked down to \$15 a shirt, and first come first serve. The remaining sizes are

Youth Small: 5
Adult Large: 6
Adult XL: 13

Race Team: We have red polos for the sailors on a race team; please let me know what size shirt you want. Shirts are \$15.

Please Claim Lost and Found

We have collected a large number of lost items throughout the summer. Please come to AYC to look through the lost and found to claim your missing items. If you think your family is missing anything, towel, life jacket, water bottle, please come to claim these items soon.

Pictures of the Junior Program

There have been many pictures taken of camp this summer. Please look at the pictures to find your children.
