

AYC's Sailing Center is located at 510 Severn Avenue (behind the Shell Station on 6th and Severn). AYC Members are asked to park in the Homes for America lot (2018 AYC sticker must be displayed, last year's are valid through March 30) or at the Activity Center/Annex lot. Non-members may park at the Sailing Center but we have limited parking so you may need to take advantage of free, on street parking in Eastport.

Enter the front doors of the Sailing Center when you arrive. If you would like to use the elevator it's on the first floor through the white doors that are straight ahead on your right and you're heading to the 2nd floor - otherwise take the stairs to the next level up.

Continental breakfast will be ready at 0800 with the first session kicking off at 0900 on the dot! Lunch will be served at 1200.

After the first key note with Tucker Thompson on Saturday morning the room will be broken down in to three separate classrooms before being opened up again for Cory Sertl's lunchtime address.

The cocktail party will be at the main Clubhouse after we break on Saturday. There will be light apps and a cash bar. Mastercard, Visa and American Express may be used for this reception, please let the bartender know that you are with the Symposium. We will have the shuttle on standby at the Sailing Center at 4:15 for those of you who want to ride over to the Club and they can bring you back to the Sailing Center at the end of your evening. AYC members may shuttle to the other lots when ready.

AYC House Rules:

What is the dress code?

Clean, neat slacks/jeans or shorts and a sports shirt.

Ragged jeans/shorts, bare feet, and tank tops are not acceptable at any time.

Gentlemen may not wear hats or caps inside the buildings.

What is the electronic device policy?

Electronic devices may be used as long as they do not emit a sound. Cell phones must be kept on vibrate while inside the building and all conversations need to take place outside.
